Date-06/02/2020

(please tick the appropriate answer where appropriate)

1. Name of stimulation sessions attended

*Resuscitation*

2. How useful are the stimulation training sessions?

Not useful    slightly useful     average useful    very useful

3. Did the stimulation training lead to gain knowledge as doctor?

Poor    unsatisfactory    average     satisfactory    Good

4. Did the tutor create a satisfactory learning environment?

Poor    unsatisfactory    average    satisfactory     Good

5. How would you rate the quality of the stimulator equipment?

Very poor    poor    fair     Good    very Good

6. How would you rate your overall experience of the stimulation session?

Very poor    poor     fair    Good    very Good

7. Would you like to add any other comment?

*No*

8. Do you have any suggestions that could improve the stimulation training sessions?

*↳ Use of more instruments.*

Very poor    poor    fair    Good    very Good

6. How would you rate your overall experience of the stimulation session?

Very poor    poor    fair    Good    very Good

7. Would you like to add any other comment?

*No, everything was excellent.*

8. Do you have any suggestions that could improve the stimulation training sessions?

*Need more features in skill lab.  
practise*

## SIMULATION TRAINING PROGRAMME

Department :- Catheterization in paediatric Kaumar  
bhritya  
Topic :- Catheterization in Paediatric  
Date :- 07/02/2020

### Proceedings:-

Faculties of Kaumarbhritya department has conducted simulation programme under clinical based learning & skill making programme on 07/02/2020 for students of third year and nursing staff at Kaumarbhritya simulation lab.

Dr. Kiran Nandeshwar, faculty of Kaumarbhritya, explained the catheterization in paediatrics in details on dummy. All the instruments required were used for demonstrations. They thoroughly explained all the information along with procedure, indication & contraindication in details.

This simulation programme provided very skillful & practical knowledge to participants. Hence, all was very worthful and educative.
