SIMULATION TRAINING PROGRAMME

Department :- Strirog & Prasutitantra Department

Topic :- PPH & Retained placenta.

Date :- 07/02/19 to 09/02/19

Proceedings:-

Strirog & Prasutitantra department has conducted a simulation programme on 08/02/2019 to 10/02/2019 in P.T.S.R Simulation lab for students and teaching staff. Simulation of PPH & retained placenta has been conducted on mannequins, preserved specimens & models. The healthcare professionals are trained through advanced educational technology. This program has increased skill & acquisition in obstetrical & gynaecological scenario. During the simulation participants made some mistakes as it was their first encounter with this type of experience. Errors identified during simulation & translation in practices.
