SIMULATION TRAINING PROGRAMME

Department :- Strorog & Prasutitantra Department.
Topic :- Episiotomy & vaginal Examination
Date :- 8/08/19 to 10/08/19

Proceedings:-

Strorog & Prasutitantra department has conducted a simulation program on 7/02/19 to 9/02/19 in PTSR simulation lab for students and teaching staff. Simulation of Episiotomy & vaginal Examination has been conducted on manequins, preserved specimens and models. The health care professionals are trained through advanced educational technology. This program has increased skill and acquisition in obstetrics and gynaecological scenario. During the simulation participants made some mistakes as it was their first encounter with this type of experience. Errors identified during simulation were shown to skill retention and transition in practice.
