Coordinator :-

○ Dr. Namrata Nandankar

Date: 18 February 2021

Place : SVAMCH Wandhari, Chandrapur

Proceedings:-

Striolog and Prasutitantra department has conducted a stimulation programs on 18th February in Prasutitantra lab (stimulation lab) for students and teaching staff. Stimulation of Normal delivery & ~~trial~~ ^{malpresentation} has been conducted on manequins, preserved specimens and models. The healthcare professionals are trained through advanced educational technology.

This program has increased skill and acquisition in obstetrics and gynaecological scenario. During the stimulation, participants made some mistakes as it was their first encounter with this type of experience. Errors identified during stimulation were shown to skill retention and translation in practice.
