

## SIMULATION TRAINING PROGRAMME

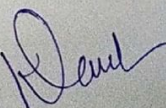

Department :- Kaumarbhritya  
Topic :- Catheterization in neonate  
Date :- 29/10/2021

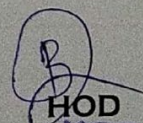

### Proceedings:-

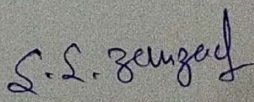

As per the schedule the Kaumarbhritya department has conducted simulation programme under clinical based learning simulation & skill making programme at Kaumarbhritya simulation lab for third year student during 29/10/2021.

The programme was arranged under all the teachers staff of Kaumarbhritya department. Dr. Kiran Nandeshwar explained about the catheterization in neonate very well. She explained all the process alongwith indication and contraindication thoroughly.

This programme shows very good experience and knowledge to participants hence this all was conducted very educative and worthfull.

**Stimulation training questionnaire**

Date - 29/10/2021

(please tick the appropriate answer where appropriate)

1. Name of stimulation sessions attended

cathe tarization in neonate

2. How useful are the stimulation training sessions?

Not useful    slightly useful    ~~average useful~~    very useful

3. Did the stimulation training lead to gain knowledge as doctor?

Poor    unsatisfactory    average    ~~satisfactory~~    Good

4. Did the tutor create a satisfactory learning environment?

Poor    unsatisfactory    ~~average~~    satisfactory    Good

5. How would you rate the quality of the stimulator equipment ?

Very poor    poor    fair    ~~Good~~    very Good

6. How would you rate your overall experience of the stimulation session?

Very poor    poor    fair    ~~Good~~    very Good

7. Would you like to add any other comment?

- knowledgable

8. Do you have any suggestions that could improve the stimulation training sessions?

No
